Dear Mr. Watari & team:

I would like to express my appreciation to **Best Web Choice** for creating an aesthetically pleasing yet functional website for **The Lion of Judah Ministries**. I cannot overstate the value of having a professional website that is intuitive for people of various creeds, cultures, tongues and backgrounds to be able to easily utilize since I minister on a global level. The website you have created for **The Lion of Judah Ministries** is an invaluable tool because it establishes my ministry's global presence on the web and assists me in taking the Gospel of Christ to the nations and bring hope and peace to those that are devoid of it.

Thus far **Best Web Choice** have provided my organization with excellent support in the areas of website engineering, site optimization, search engine analysis, ecommerce and site submission. Your assiduity and professionalism has been a major factor in my ministry's website success and I have received only positive feedback from those that have visited the site thus far.

I can confidently recommend **Best Web Choice** as a reliable and professional website development company because you have proven that you were able to competently integrate my design ideas about my ministry into **The Lion of Judah Ministries** current website overall design and have produced a website that is not only easy to use but is also visually appealing. You have proven that you are a proficient adept organization that is able to design and maintain a website for any organization and guarantee them a relevant viable web presence.

Faithfully in Christ
